

OPEN TO SERVE

In accordance with Wisconsin Governor Evers [#SaferAtHome Executive Order](#)

Opportunities, Incorporated will remain open for all stakeholders as a key partner in providing Human Services and supplying Critical Infrastructure Industries.

Opportunities, Incorporated will remain open for services following the latest Governor Evers [#SaferAtHome Executive Order \(March 24, 2020\)](#) as an essential human service provider and social enterprise based on guidelines set by the government.

Our mission provides vital human services for people with disabilities. They depend on us to give structure, support and purpose to their daily lives. We are an important safety net for the community; therefore, we will continue to offer a full array of options for our participants and families.

Our social enterprising division is a key partner in the supply chain for products defined as business essential. Examples of these include products for life sustaining food, water, and medical products, as well as key government contracts. Our customers depend on us to maintain the integrity of our nation's critical infrastructure.

Opportunities, Incorporated promotes health and safety guidelines set up through the Centers for Disease Control (CDC) and World Health Organization (WHO). Furthermore, we reinforce organizational best practices to ensure optimal service environments for all participants and employees. These include daily self-screening practices to monitor personal health, Good Manufacturing Practices, workplace/social distancing, break time and breakroom spacing.

As a vocational rehabilitation organization serving our community for over 50 years, we remain dedicated to providing exceptional services through the fulfillment of our mission and vision.
